PROLOGUE

Dear Esteemed Customers and Partners,

On behalf of GMPc Vietnam, we would like to send our sincere thanks to our customers and partners!

Proud to be the pioneer consultant in providing turnkey consulting solutions for GMP-certified facility project, we are continuously learning and innovating in order to create its core value and contribute to the change of the value concept when applying GMP regulations in Vietnam.

As an amalgamation of managers, GMP experts, pharmacists, engineers, chemists, etc. with extensive knowledge and experience in related fields, we have always been dedicating ourselves into each commissioned project while adhering to the core value of Get GMP – Get what you want!

Through 14 years of operation and development along with our offices in Hanoi and Ho Chi Minh City, GMPc has been trusted by most nationwide investors with over 300 GMP/GPs-certified facility projects, which equals to more than 80% market share of the field in Vietnam 2011 to 2025.

In all of 300 projects and those to be commissioned in the future, we have always been dedicating all of our effort to create and contribute to the Consulting Solutions that Simplification - Cost Optimization - Guaranteed Certification on the basis of understanding the needs and differentiation strategy of each customer.

We would like to contribute our experience and knowledge in your projects.

We wish you all the success today and always!

Best regards,
Founder - Chairman of the Board

DAO XUAN HUONG

BRAND MESSAGE

MISSION

VISION

DIFFERENCES

Provide a **comprehensive, all-in-one consulting solution**, helping the Investor need **only one consultant** to complete the GMP Factory construction investment project with the following criteria:

Simplification - Cost optimization
- Guaranteed certification!

Always **the No. 1 Consultant in Vietnam** and **in TOP 3 ASEAN** in the field of Comprehensive, **Lump-sum** Factory Construction Investment Project with GMP principles and standards for pharmaceutical production, cosmetics, health protection products, Veterinary and Aquaculture Medicine.

Perfect consulting solution

To get the GMP certification, it is necessary to synchronize the system of facilities and equipment with the system of personnel, training, documents, ... A comprehensive, lump-sum consulting solution by a qualified and experienced consultant is a really necessary, useful, highly effective solution for the investor.

Consulting team capacity

Having experienced the positions of General Director, Head of PMU, Head of specialized departments in the GMP factory, the consulting team of GMPc is full of personnel with high expertise, knowledge and practical experience. We are confident that we have enough capacity and experience to meet the investor's expectations.

Professionalism

In a professional implementation process, GMPc always provides a cooperation proposal, fully necessary steps to suit the needs of the Investor before proposing a contract. The cost and results of each step are clearly, detailed and quantified, so the Investor can make the right decision from the start.

WHY CHOOSE GMPC?
